

ABOUT THE COASTAL CRUISERS

The club was formed in January 1986 by a dedicated group of local car enthusiasts. The Club's original name was The Nova Scotia Auto Hobby Club. In 1995 the Club's name was changed to the Coastal Cruisers. You do not need to own a special interest/antique auto as long as you are enthused by them.

The original objectives are still important and are followed today.....

- 1) To be a family oriented club.
- 2) To maintain a respectable image in the classic car community and the larger community in general.
- 3) Volunteering and participating in Club activities such as the Annual Autofest Car Show, club picnic, visitations, car runs, etc.
- 4) The club also organizes other events that are enjoyable to as many members as possible.
- 5) The Club has a social meeting on Tuesday nights, currently at the Dairy Queen in Bridgewater. Also on the second Monday of each month there is a regular business meeting. All members are encouraged to participate.
