About the Coastal Cruisers...

Formed in January 1986 by a dedicated group of local car enthusiasts. The Club's original name was The Nova Scotia Auto Hobby Club.

The original objectives are still important today.

1. To be a Family oriented Club.
2. To maintain a respectable image in the community.
3. All members are encouraged to participate in club activities. (Even if you do not own a special interest or antique vehicle).
4. The Club would like to make events which will; be enjoyable to all members.

After much debate the name was changed in February 1995. The Coastal Cruisers have held a car show each and every Father's Day since our formation in 1986. Each year a local charity benefits from a portion of the show earnings. We currently meet once a month. The Club also participants in many shows, cruises and social events.
